

## The General Brock June Newsletter

Welcome to June! The year continues to fly by. With both basketball and the badminton seasons behind us, we look forward to next week's Track and Field. We have over 60 Bulldogs competing at Riverside High School. We also had a huge turnout at our community night and have extended our promotion of the arts with the Mobile Art Lab – students splattered their own unique creations on canvass! We also look forward to end of your field trips and grade 8 graduation! All of this would not be possible without the extra volunteer time our staff put in to ensure a great variety of opportunities for our students!

Pizza Days, Hot Dog Days, Nacho Days, and Yogurt Sales have further subsidized opportunities for our students through the purchase of new team uniforms, additional hot breakfasts, musical instruments, and gym equipment. Additionally, through these fundraising efforts we have been able to greatly reduce the cost of field trips and buses for our students! Thank you for all that you do to support a safe, inclusive and engaging learning environment for our students!

With the warm weather here, whenever possible please ensure your children are prepared for the outdoors – sunscreen, long sleeves, hats, extra water all help with these hot days.

There are a lot of events/activities happening throughout the month of June. Please read below for details. The best way to keep up to date (some event/activity dates may change) is to be active on EDSBY. If you have not yet joined, please reach out to our school secretary, Ms. Campbell for assistance. All of our events/activities are either announced or on our EDSBY calendar – the group names is 'General Brock Announcements'.

At Brock - 'We care about each other!'

Sincerely,

Mr. Callow, Principal and Mr. Caschera, Vice-Principal
