## School Safety

We take pride in ensuring that our students are safe at General Brock! As part of our "Safe Welcome", we ask for your help each day so that we can always keep our students safe.

All schools in Ontario are required to keep their doors locked during the school day. For safety reasons, only our students and staff are permitted in the school and on the playground.

At the end of the day, students who walk home and students who are being picked up will be dismissed out their designrie end of the ig Ge so th whA ch~ nr t and

Please try to avoid contacting the school after 2:30 pm with changes in dismissal arrangements—these create a great deal of confusion which can delay everyone. Please ensure that your child, and their teacher, know what your end of day plans are. With your help, we know that we can create an even safer environment for our students!
